## NEW ALBUM 'NOW IT'S TIME'

Alternative Pop Artist Lorelai, originally from Augsburg in Germany, is a singer/songwriter who has been performing for over a decade. After seizing an opportunity to move to Australia in 2010, her career in music has continued to gain momentum.

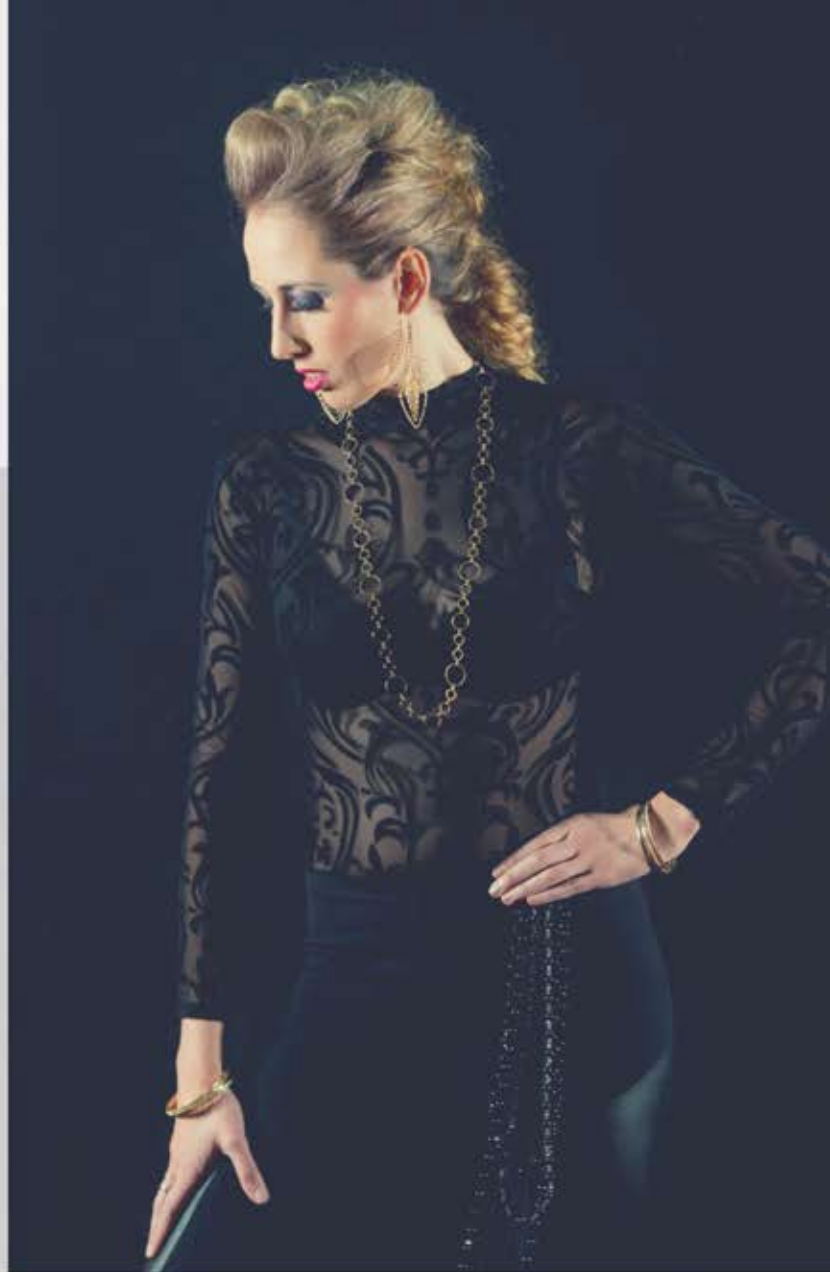

After playing gigs around the South Australian music scene, she crossed paths with esteemed producer Eslev who has worked with the likes of Jess Kent, Full Tote Odds & Purpose; They decided to team up to work on a new LP titled 'Now It's Time'.

The album consists of ten songs, all written and composed by the artist herself. The lyrics were inspired by many life experiences, such as the recent passing of her father, failed relationships, living so far away from her family, the longing to find new love again and the strength to keep going 'no matter what', to turn her dreams into reality.

Lorelai's clear and warm voice will entice your senses. The production is incredibly detailed with a modern feel; relevant to today's market! The rich layered vocals instantly capture the listener. Lorelai's new album boasts a unique blend of full harmonies displaying versatility and reflecting the sound of modern youth.

The album's international digital release is Friday, October 12th 2018 with CD copies also available.
